Shane Stephenson is Vice President (Quebec Region) of Building Water Solutions Inc.

Located in Montreal, Shane focuses his attention primarily on client relationships and new business opportunities in the Province of Quebec and The Ottawa Region.

Shane has over twenty years of experience in the commercial real estate industry, both as a broker and as a landlord. This diverse experience gives Shane the ability to understand the needs of a client and the ability to help achieve a client's goals.

Shane has worked across most parts of Canada and the US. It is through this experience that he has been exposed to diverse geographical and environmental issues as they relate to property.

Shane has an MBA from the Schulich School of Business, York University and is fully bilingual.
